Notice

The Lakewood Township Department of Public Works is now accepting rechargeable batteries and cell phones into the Recycling Program.

Rechargeable batteries and cell phones may be brought to the Public Works Resident Drop-off site, located at 1 America Way, Lakewood.

Single use batteries can be put into household trash as they are deemed non-hazardous.

Please call Lakewood Township Public Works if you have questions or for further information, (732) 905-3405.

Thank you.
